

# Life Grant

**PROVIDING FLEXIBLE CAREER ASSISTANCE FOR NEW GRADUATES**

## **ABOUT THE GRANT**

The Life Grant was established to assist at-risk youth taking their first steps in building a career, regardless of what that may be. The Hill Country Optimist Club Life Grants are non-renewable grants created to recognize graduates who have demonstrated the initiative and dedication to continue their education or seek career training. The scholarships are awarded up to the amount of \$500.

## **FLEXIBILITY IS KEY**

The path to success is different for every individual, and for at-risk youth traditional scholarships may not meet their specific needs. Whether it's supplies for beauty school, tools for career training, or help with traditional higher education, the goal is to give students the flexible assistance to get their career started.

## **WANT TO HELP?**

**You can sponsor one of the Hill Country Optimist Club Life Grants. With any donation, you can change the life of a young individual. Please fill out a donation form and make checks payable to Optimist International Foundation. A receipt for your tax deductible donation will be sent to the donor.**
